THE COLLECTED WORKS OF GERARD MANLEY HOPKINS: THE DUBLIN NOTEBOOK VOLUME VII (HARDBACK)

[DOWNLOAD PDF](#)

Oxford University Press, United Kingdom, 2014. Hardback. Book Condition: New. New. 314 x 250 mm. Language: English . Brand New Book. Hopkins's Dublin Notebook provides intimate and rare access to the Jesuit poet's private, poetic, religious, and academic thoughts and words during his final years in Dublin. In February 1884, Hopkins moved to Dublin from England to become a Professor of Classics at University College (entrusted to the Jesuits in 1883) and a Fellow at the recently-established Royal University of Ireland, an examining institution. He lived at UC's St. Stephen's Green campus until 8 June 1889, when he died of typhoid. The Dublin Notebook is a unique repository of personal memoranda, drafts of poems, lecture outlines, spiritual meditation notes, and academic notes, and sheds new light on the circumstances that produced Hopkins's Sonnets of Desolation in the mid-1880s. The contents include pages in which he tallied examination marks and commented on students' performances; intermittent musical jottings; lists of correspondents to whom he owed letters; attendance records; drafts of a short biography for publication; a commentary on Cicero; and preliminary versions of *Sibyl's Leaves*, one of his most exceptional poems. This edition, Volume VII in the Collected Works of Gerard Manley Hopkins, provides readers with a digitized facsimile of the manuscript, a detailed transcription of each page, and scholarly resources such as a historical and cultural introduction to Hopkins's Dublin years; an analysis of the notebook's contents; the editors' explanation of the manuscript and its challenges; translations of and citations for all classical quotations; and thorough annotations (including transcriptions of his musical compositions). Other resources include a Biographical Register; documents related to Hopkins's academic appointments; sample examinations that he set for the Royal University; and edited versions of his study of...
