Reviews

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Edwardo Rohan III)

JOHN (AUDIO BOOK)

Bolinda Publishing Pty Ltd, 2008. Book Condition: New. Unabridged. 0 x 23 cm. In the tradition of Jim Crace's *Quarantine* and Anita Diamant's *The Red Tent*, *John* is a stunning, lyrical reimagining of John the Apostle in the final years of his life, by the critically acclaimed and bestselling author of *Four Letters of Love*. To be published in print by Bloomsbury in February 2008. In the years following the death of Jesus Christ, John the Apostle, now a frail, blind old man, lives in forced exile on the desolate island of Patmos with a small group of his disciples. Together, the group has endured their banishment, but after years awaiting Christ's return, fissures form within their faith, and, inevitably, one of John's followers disavows Christ's divinity and breaks away from the community, threatening to change the course of Christianity. When the Roman emperor lifts the banishment of Christians, John and his followers are permitted to return to Ephesus, a chaotic world of competing religious sects where Christianity is in danger of vanishing. It is against this turbulent background-and inspired by Jesus's radical message of love and forgiveness-that John comes to dictate his Gospel. Immensely impressive-and based on actual historical events-*John* is at once an ambitious and provocative reimagining of the last surviving apostle and a powerful look at faith and how it lives and dies in the hearts of men. At a time when many remain skeptical about religion but still thirst for spiritual fulfillment, Niall Williams's extraordinary and masterful new novel reveals a universally appealing message of hope and love. This is an audio book. Duration: 620. Reader: Bell, Nicholas. Number of pieces: 9. CD-Audio CD standard audio format CD-Audio CD standard audio format.
