Blue Wrangler Productions, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you could live one day over, which day would it be? The first. or the 555th? A young Wall Street lawyer receives a cryptic email from his estranged father who was killed in an aircraft accident working as a military contractor in Iraq. The message unlocks three secrets: .What he was really working on-- a top-secret and highly controversial intelligence-gathering technology that replays events from the past; .Why he was really doing it-- to relive the day he lost the love of his life; .And his final wish--- to meet her again. For the first time. Pepper s Ghost is a high-tech love story spanning three continents, three wars, and three decades during which we have witnessed the computerization of human experience, and watched things once thought impossible become yesterday s news. Love stories are about doing the impossible, about seeing through the mirror darkly. This is the story of how one man did that--turned back the clock-- twice. Here s what readers are saying about Pepper s Ghost Sparkling dialogue, fast-paced action, and a mind-bending premise. -Rozsa Gaston, The Ava Series Takes your technological breath away. Indiana Jones and The DaVinci Code meet Bill Gates. -Keith Kelly, Peace Comes to Ajani An intriguing and fascinating read. A true love story enabled by time travel technology.
