A lot of people (especially pedagogues and students) say and/or believe that a school is a tedious and loveless place with loads of boring and mandate tasks. But there is a legendary, top-notch, amazing school, which breaks such a myth, and is actually heaven on earth, in Gunma Prefecture, Japan. The name of the school is Takasaki City University of Economics. This book introduces just a tip of the iceberg of academic achievements of the students of the first-class university. The contents will entertain, inspire, and enlighten the readers in a wide variety of ways. (The profits of this book will go to the institutions helping people suffering the aftershocks of the 3-11 tsunami disaster that hit the Tohoku area, Japan, in 2011. ) This item ships from La Vergne, TN.
