## HOTELS & CLUBS

Design Media Jun 2013, 2013. Buch. Condition: Neu. Neuware - Different from ordinary residential or office buildings, hotels and clubs are the second, even the third living space for human. Therefore, the architecture of hotels and clubs should meet the specific groups, or general groups' specific needs. With exquisite and unique forms and styles, and culture and stories behind architecture, the architects are presenting their thoughts in 23 projects. In the book, the architects move away from 'mass construction' for a...

*An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting to read this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*
