

The Ultimate Exodus: A Commentary on the Book of Revelation (a Futurists, Non-Pretribulational Perspective) (Paperback)

By W J Sturm

Redemption Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The book of Revelation is filled with Old Testament images and its language of fulfillment, reminding readers of the exodus of God's people from the land of Egypt. In reviewing God's Word, however-both Israel's epic deliverance and the events of the last days foretold in the New Testament-Pastor Bill Sturm has concluded that there is no biblical basis for believing God will remove His people before He judges the ungodly in the end times. How can Christians make sense of this? What should be our response? This verse-by-verse commentary on Revelation explores these themes within the King James text (assisted by easy-to-understand Greek reflection) so that you can ready yourself for what's to come-remaining steadfast in the time of trouble until the ultimate Exodus at Christ's 2nd Coming.

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

-- Prof. Erin Larson I

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.
