Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Twin Serpents Ltd. Paperback. Condition: New. 156 pages. Dimensions: 9.5in. x 7.4in. x 0.5in. Blacksmithing, forging, and the working of metal are largely lost skills needed for the preparation of mundane and magickal tools alike. This book provides an introduction to forging that will enable you to experience and make both. Taking an approach focussed upon the practically achievable and affordable, this book provides sufficient information for you to be able to establish your own working forge and start working with fire and metal. This book contains a lot of information on the materials you will need and where you can get them, and detailed descriptions on how to get started. It also provides step-by-step instructions for several projects, starting with those that will help you progressively develop your smithying skills. These include items such as cloak pins, hooks, cup holder, letter openers, and blades (including Damascus). This book also contains extensive detailed instructions for the preparation of magickal tools including those for both iron and non-iron ritual blades. In addition to the practical aspects of manufacture, this also includes instructions for preparing the ritual forge workspace as well as for working with the magnetic fields within the blade. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
