SURVIVING ACTORS MANUAL

Nick Hern Books. Paperback. Book Condition: new. BRAND NEW, Surviving Actors Manual, Felicity Jackson, The essential, one-stop handbook for actors, with everything you need to survive and thrive, from the team behind the internationally successful Surviving Actors conventions. Being an actor is a vocation, but it's also a real-life job. Talent, determination and passion are vital, but will only get you so far. In addition to developing the craft of acting, actors have to remember that it is a career, and so the business side needs to be taken just as seriously. This comprehensive, practical manual covers the day-to-day, real-world essentials you need to succeed in the industry, with sections that include: dealing with agents, coping with auditions, developing your networking skills, creating your website, producing showreels and voicereels, marketing yourself on social media, and formulating a business plan. Honest and straightforward, but also empowering, it will help you unlock your potential and focus on being the best, most employable - and, hopefully, successful - actor you can be. Compiled by the team at Surviving Actors, and drawing on a wide range of other experienced professionals, the Surviving Actors Manual is designed to help you develop and sustain your career and to create your own new opportunities.
