Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Professional Photoshop book ! This book was designed for people, who are looking for a job, and to apply for a position need a Photoshop knowledge. The book based on personal working experience in editorial offices and graphic design studios. On the courses you can learn only the basics, but you won't be hired without working experience. 12 years ago I was in the same situation, finishing a course nobody hired me. But now I have 12 years working experience in desktop publishing and graphic design, and in this book I give my experience to you. The book contains 70 REAL step by step Photoshop tutorials - I say REAL, because these jobs made by me in editorial offices or graphic design studios, that's why this book is professional. These tutorials explain you the professional production technology. The courses teach you only the basics, and nobody will explain you these tricks in the office - colleagues do not like if you ask them. You have to know these professional secrets - first to get a job, then to make the job. Otherwise you will make mistakes. Also, in the book you can find shortcuts, you have to use, working fast as a professional. Professionals are working with shortcuts!
