Ogden, Delivered by Chief Justice Marshall, March 2, 1824: With a Preface, Containing an Historical Sketch of the Steam-Boat Controversy Would prevail against it. It was moreover denied, that any inter ference had in that case been shewn between the laws of this state, and the constitutional power of congress to regulate commerce it was alleged, that it would be time enough to consider that ques tion when it should arise and the general answer given to all such supposed collisions of power, was the same as in the case of con?ict with a patent right that the laws of congress were pa ramount, and must prevail. By a subsequent compromise, the opposition company was ad mitted to a participation of the exclusive right; and consequently that cause was not carried up to the supreme court of the United States. Pending the suit, both parties had united in obtaining from the legislature new and extraordinary penalties against any other interference with the state grant and...
