A SYLLABUS OF PSYCHOLOGY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Syllabus of Psychology This Syllabus, prepared primarily for use in my own classes, is published in its present form with the belief that, as emphasizing the more essential aspects of the subject and omitting minor details, it may prove serviceable as (in the stricter sense) a text for the brief course in Psychology practicable in high schools and academies generally. It is also hoped that, as a summary view of the subject, it may prove acceptable as a guide to private students as well. I am convinced that, for younger pupils especially, brief text-books are essential to anything like clearness and continuity of results. No doubt this necessitates only so much the greater degree of careful preparation on the part of the teacher. But in any case really vital results can be secured only in the degree in which the teacher throws his whole life into his work.
