AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In writing my book I tried, to the best of my memory (and with the help of a lot of people), to relate and have a true story about the things that we did as children and adults. about growing up and living in a small town in Alabama. Even though times were hard then, I feel very fortunate to have grown up during that time and in that place. I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life. I also had some great teachers which I am thankful for knowing. Most of our teachers loved us and tried to help, when they could, to prepare for our future. All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions. I believe that growing up in Roanoke gave me the knowledge and background to have a great life, for which I am thankful, and I hope for many more good years.
