Excerpt from The Pastor Chief, or the Escape of the Vaudois, Vol. 1 of 3: A Tale of the Seventeenth Century Arnaud marshalled the first and largest party across the lake, and though it might be a pang at such a moment to abandon the rest, he knew this was not a time for hesitation - one instant he tarried ere he leapt into the last boat which waited, to recommend the remaining number to the care of Durand; then, clasping his arm round the lingering figure of his daughter, he seated her forcibly by his side. No murmur against her father s will rose to her lips, but the eyes of Marie Arnaud still dwelt on the shore that lay between Rolle and Nions, for on its margin stood Durand, waving a last adieu, as the bark which bore her from him cut through the deep blue tide.
