We do not set in the back of the Moni Juan translated title. Students according to their own situation. every once in a while to do part of the subject. and record their progress. the exercises can focus on doing one part at a time. improve their weaknesses scores. In addition. due to two fewer exercises content. the degree of difficulty is also relatively low. sets Moni Juan stipulated time shorter than the four tests. the order of the title with four slightly different exam. In order to facilitate the students to practice writing part of the adjustment to the end of grammar section and glossary section also did not like the four exams combined. The problem sets aims for national institutions of higher learning English professional third-grade students and has a...
