Lion Hudson Plc, United Kingdom, 2014. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. There are many books that explore actual, physical, sacred space and pilgrimage sites. This is a different kind of book. It introduces seven traditional `sacred spaces but then leads readers into a deeper reflection on what such `sacred space means in our own lives and experience. The various sacred spaces explored are: the Celtic Cross; the infinite knot; hilltops; wells and springs; causeways and bridges; thresholds and burial grounds; and boundaries. In each chapter, the author introduces a `sacred space as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience. The ideas are then brought together by means of a scripture story.
