JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2013. Paperback. Condition: New. Workbook. Language: English . Brand New Book. Gathering the artistic talents of Asperkids and artists from around the world, as well as her own original artwork, Jennifer O Toole has created a one-of-a-kind coloring book that s educational, fun and above all a celebration of difference!We all know that children with Asperger syndrome are far more likely to learn and enjoy themselves when their special interests are involved, and the color-in drawings in this book cover a wide range of subjects that Aspies love. We re talking mythology, atomic structures, nature, historical fashions, and more! Full of cool art, geeky humor, and inspirational quotations, this is a coloring book for all ages that celebrates the unapologetic awesomeness of Asperkids.A proportion of the proceeds will go towards supporting arts programs for children on the autism spectrum.
