Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Sure enough, the eight new boys were gone before sun-up yesterday, only Philip and Geordie remain, and gardening is at a standstill. All day yesterday and to-day I have thought of the runaways, and wondered if there is any way of making them stay and take advantage of their opportunities. Our young manual-training teacher, and only man, lives at the cottage with the dozen small boys; but, being a man, probably he cannot give them a home feeling, and get them rooted. Only a woman could do that. If I had the courage and cheerfulness, I would go over there and live with those little boys and try to make them feel at home. But it is useless to think of such a thing, --my sadness would repel them, --they would run away faster than ever. Monday Night. The heads said to me this morning, We shall give up trying to keep little boys in the school, --it is useless, though we need them almost as much as they need us. If there were just some one who loves children to stay there and take a real interest in them, they might be satisfied to remain. I love children, I said, but I would not think of inflicting myself upon them, --I am not cheerful enough. Cheerful! they exclaimed, why, everybody is cheerful here, --no time for anything else! Suppose you try it! I really couldn't think...
