Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

I cannot imagine a more disagreeable way of qualifying for the income tax, said one of America s most noted after-dinner speakers to me when at a chance meeting he and I were discussing the joys and woes of the lecture platform. I must admit that in a way I sympathized with him; for I knew something of the sufferings endured for days and nights prior to one s own public appearance as an after-dinner or platform speaker. There was a time many years ago, upon which I look back with wonder that I ever came through it without nervous prostration, when I suffered those selfsame mental agonies as the hour approached for the fulfilment of one of those rash promises which men fond of the sound of their own voices make months in advance to those subtle flatterers who would lure them from the easy solitudes of silence into the uneasy limelight of after-dinner oratory. Not without reason has a certain wit, whose name is unfortunately lost to fame, referred to the chairs behind the guest table on the raised platform at revelries of this nature as The Seats of the Mighty and Miserable. These sufferings involve a loss of appetite for days in advance of the event; a complete derangement of the nervous system, with no chance of recovery for at least ten days preceding the emergent hour, since sleep either refuses to come to one s relief altogether, or coming brings in its train a species of nerve-racking dream which leaves the last estate of the weary slumberer worse than the first. The complication is far more difficult to handle than that involved in...
