It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

TRIBAL CHURCH LEAD SMALL. IMPACT BIG.

B&H Books. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 6.9in. x 5.0in. x 0.5in. Gods biggest assignments have always been entrusted to those leading a small tribe. From the twelve families of Israel to early Christians who met in one anothers homes, great leaders begin by serving a core group of people who ripple outward for ever-extending social and spiritual impact. Tribal Church helps pastors recognize the potential and power of various tribes within their congregationsone family, a network of small groups, maybe an entire age groupand then recalibrate ministry efforts to maximize the impact of each. Steve Stroope has spent three decades mastering the art of leading small in a church that has multiplied from dozens to over ten thousand. He explains why big impact does not come from any sort of mega-church ambition. It rather comes by attending to the little details and the smallest tribes. Endorsements: Steve Stroope has done us a favor by collecting three decades of experience into one book. One glance at the manuscript and I thought of a dozen uses for it. First, it will strengthen my leadership skills. I can envision our leadership team reading it as a group. Seminaries should tap into its wisdom. Thank you, Steve, for living out an example of godly leadership. Max Lucado, pastor and best-selling author Steve Stroope is one of the finest pastor-leaders of our generation. In his candid look at Lake Pointe Churchs first 30 years, Steve shares helpful insight, wisdom, and...
