YOU RE NOT A BOOB

Trafford Publishing, Canada, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The objective of this book is to provide an experience of a newly expecting father as he has the expectation of being able to fulfill his duties, he quickly realizes that to bring a child into this world is going to be the hardest thing he has ever done, but one of the most rewarding. The focus is on his experiences of raising his child through the first year of her life. It provides an overview of his life before children, then starts to proceed with the experiences of child birth and finally ends with his rewards of having this child. Although there are many books which write about the birth, preparation, and teaching of the parents about best practices for raising their children, this book brings more insight to the father as to what he can expect and a little humor at possibly a touch time in his life. Its intention was to bring out the highlights of the birthing experience and lighten the mood for expecting fathers who are neverous and do not know exactly what they might be getting themselves into. Hopefully this book will provide some humor in a trying time and eventhough meant for men, women it may help you better understand where your man is in the thought process.
