COLLAPSE OF WEIMAR REPUBLIC: POLITICAL ECONOMY AND CRISIS (HARDBACK)

Holmes Meier Publishers Inc, United States, 1986. Hardback. Condition: New. Subsequent. Language: English . Brand New Book. Analysing the conflicts within and between organised industrial and agricultural forces in Germany as well as those between capital and labour, the author shows how these conflicts made it impossible for a coherent political force to emerge to hold the democratic republic together and how, after a period of costly cooperation with labour, and faced with unacceptable alternatives, Germany's elites found unity...
