Brand New Book ***** Print on Demand *****.To say that marriage is today facing unprecedented crises is to be guilty of a chronic understatement. If sex can be good and at the same time godly; also, what is sexually permissible for a Christian couple What happens when the initial attraction fades or love dies What to do when your spouse is attracted to or involved with an external party The key to raising godly offspring The pervading theme from which the book derives its title is that men and women are different by design....
