## COURAGE AGREEING TO DISAGREE IS NOT ENOUGH

North MS Acupuncture and Holistic Center. Paperback. Condition: New. 172 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. Courage is a thought-providing and inspiring self-help memoir. Drawing on the life experiences of Meagan ONan, a gay woman from the Deep South, this book is a raw and poignant commentary on discrimination, both personal and societal, and how it is replayed in endless cycles. A new voice to an age-old perspective, Courage is not your typical victim/victor story. Central to its message is the provocative and compelling idea that agreeing to disagree is not enough - that this solution leads either to silence or violence, neither of which ultimately solves anything. ONan challenges the reader to dig deep into their own life and offers simple and practical ways to break the cycles of discrimination - by calling on the deeper wisdom and ability that lie within each of us to transform our own pain into love. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
