Akashic Books,U.S., United States, 2017. Paperback. Condition: New. Bilingual. Language: English,Spanish . Brand New Book. Iglesias experiments with form while showcasing the philosophical and metaphorical possibilities of poetry in this winner of the 2016 National Poetry Series Paz Prize for Poetry. Faultlessly translated by Aparicio, the individual pieces in this book-length sequence of Petrarchan sonnets are each foregrounded by brief meditations, which often read as a commentary on the work s own movement through literary tradition.The experiment in form is a philosophical argument that poetry can contribute to what have traditionally been envisioned as purely scholarly conversations. Here s a voice that s seasoned and fierce, tender and sharp as a blade. I promise, dear readers, that you will not encounter another book quite like this, nor another poet quite like Legna Rodriguez Iglesias, ever again. --Achy Obejas, from the introduction This smart, delightful, and seductive dual-language (Spanish and English) collection by the 2017 winner of the Paz Prize for Poetry is a loving and sly portrait of Miami and the immigrant experience in the 21st century. --Publishers Weekly; included in Fall 2017 Adult Announcements, Poetry A bilingual--English and Spanish--collection by the 2017 winner of the Paz Prize for Poetry, Miami Century Fox is a delightful, seductive read.
