Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American Monthly Review of Reviews, Vol. 16: An International Magazine; July-December, 1897 To our readers The expanded title that appears on the cover of the review this month implies not the slightest degree of change in the plans, methods, aims, scope, editorship, management, or control of the magazine. It will continue to be a review OF reviews; and our regular readers are aware that it has long been a distinctively american monthly. The title review OF reviews, taken in a literal sense, comes far short of explaining the range and character of the periodical. If it is found a long title for every - day use and off-hand allusion, and our readers and newspaper exchanges therefore fall into the habit of referring to it for short as the american monthly, we shall offer no objection. We are quite accustomed to speak of the Century, although the full name in large letters on the cover of that great periodical is the Century Illustrated Monthly Magazine, which is certainly quite as long a name as the american monthly review OF reviews. What goes everywhere as Harper s is in full and...
