

The Future of Academic Freedom

By Louis Menand

University Of Chicago Press. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. At the bottom of every controversy embroiling the university today from debates over hate-speech codes to the reorganization of the academy as a multicultural institution is the concept of academic freedom. But academic freedom is almost never mentioned in these debates. Now nine leading academics, including Henry Louis Gates, Jr., Edward Said, Richard Rorty, and Joan W. Scott, consider the problems confronting the American University in terms of their effect on the future of academic freedom. Louis Menand has assembled *The Future of Academic Freedom* to better define and delineate what should and should not happen within our colleges and universities. . . . The whole extremely learned yet accessible debate exploits the freedoms it extols, tackling sensitive subjects such as ethnicity and ethics head-on. Publishers Weekly The essays are not only sharp, elegant and lucid, but extremely well-informed about the history of American battles over academic freedom. Alan Ryan, Times Higher Education Supplement A superb inquiry into some of the most vexing and significant issues in higher education today. Zachary Karabell, Boston Book Review This item ships from multiple locations. Your book may arrive from Roseburg,OR,...

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- Doris Beier

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camille Larson
