A blizzard traps rancher Davy White in his family's secluded cabin with Rose Evans and she's nine months pregnant! Help is miles away, and Davy must work to keep them both alive. As the storm rages outside, he comes to care for the vulnerable widow. Enough that he's willing to offer her his name against his family's objections. Rose will do anything for her baby, but she's recently widowed. She doesn't know if she can trust the feelings she has toward Davy. And she refuses to come between him and his family. But the more time they spend together, the less she can resist the comforting, caring cowboy. Wyoming Legacy: United by family, destined for love.
