Forgotten Books. Hardcover. Condition: New. This item is printed on demand. 286 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from The Etymologic Interpreter, or an Explanatory and Pronouncing Dictionary of the English Language: To Which Is Prefixed, an Introduction, Containing a Full Development of the Principles of Etymology and Grammar, and C. and C. The Plan of the Dictionary will be sufficiently understood by inspection, and therefore a description of it in this place is unnecessary. Wherever explanation seemed superfluous it has not been obtruded; as in the names of familiar objects, such as home, cow, M538; Every peison has a more distinct perception of the meaning of such words than can possibly be expressed and therefore definition or explanation is futile. Partly with the view of rendering the Dictionary useful to foreigners, and partly for the purpose of enabling the English to compare their own. Words which correspond to them in other languages the nearest Latin, Italian, French, and German, synonyms are subjoined to the explanation. Thus, it was thought; foreigners might obtain some knowledge of the English word; have the same word in common; it was not considered (necessary to subjoin any learned or foreign synonyms. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
