Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Thoughts On Art and Life by Leonardo Da Vinci; translated by Translated by Maurice Baring, english edition 1906. A fascinating collection of writings from the great polymath of the Italian Renaissance, Leonardo da Vinci. There are sections covering the great man s thoughts on life, art and science. Maurice Baring trawled the available manuscripts to distil da Vinci s writings on these subjects into a single, accessible tome, which will be of interest to students of da Vinci, the Renaissance and the history of both art and science. Leonardo di ser Piero da Vinci (1452-1519) was an Italian Renaissance polymath: painter, sculptor, architect, musician, scientist, mathematician, engineer, inventor, anatomist, geologist, cartographer, botanist, and writer. His genius, perhaps more than that of any other figure, epitomized the Renaissance humanist ideal.
