The Gods Who Came from the Sea: The Conquest of Mexico (Paperback)

By William R Dameron

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the year 1519, Motecozuoma, the Great Speaker of the Aztecs, resided in the magnificent city of Tenochtitlan. He ruled absolutely, and was treated as a god over much of what is now modern day Mexico. He began to hear stories from the eastern shore. Huge floating houses of wood had come, bringing strange-looking beings who spoke in incomprehensible babble, but wanted gold or food from the local natives. They exchanged small objects, such as knives, of a very hard, unknown material, or finely woven cloths, or decorative items such as bracelets or necklaces. They carried sticks that made fire and could kill at a distance. They wore invincible armor, fashioned of some unknown substance. They were accompanied by, even rode, ferocious animals never seen before. Until now, the strange beings had never remained. But now, they had landed and were building a city on the shore. It appeared they wanted to stay. According to legend, Quetzalcoatl, the feathered serpent god, was due to return soon. Could these strange beings be his minions? Could their leader be Quetzalcoatl in human...

Reviews

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.
