Brand New Book ***** Print on Demand *****.It can be easy to let painful events in our lives influence what we think about the character of God and how He feels about us. The value and unique purpose that He has for each on of us can be minimized and distorted when we look at the struggles in our hearts, the wrongs we have done, or have been done to us. This book contains a brief personal testimony, encouraging words, poetic reflections, nature photographs, scriptures, and a dash of illustration. The all serve to express the power of God s compassion. There is no depth of pain or darkness in our hearts that God cannot transform. He waits for us to humbly reach up and receive His extended hand of mercy and healing. . .when he was a great way off, his father saw him, and had compassion, and ran, and fell on his neck, and kissed him. Luke 15:20.
