Galgotia Publications Pvt. Ltd., 2012. Soft cover. Book Condition: New. This book covers every topic in biology that is asked in various PMTs. It serves as a manual for medical entrance examinations giving you an overview of the complete biology syllabus. This book is based on my notes which I had prepared myself while preparing for PMTs. You need not study from any other material of any coaching institute to supplement this book. I expect atleast 90-95% questions in biology in the PMTs from this book. I have written this book with a view to prevent students from being misguided by surplus, irrelevant information provided by books currently available in the market or by various PMT coaching institutions. - Rahul Chawla ( All India topper, BHU-PMT 2008). Page Extent: 350.
