Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Social Menace of the Orient, Vol. 2: White or Yellow Good-by, Bertha, take care of yourself and be a good girl; you ll get on fine, I know. Good-by, daughter, wish you didn t have to go, but you re going to a friend so pa and I won t worry and - Bertha, don t forget to say your prayers, and a mother s gaunt, knotted hand waved and waved until seventeen-year-old Bertha rounded the corner of the little green-hedged white church - her mother s church and hers, and was gone, gone to Chicago with clean heart and strong arms, to earn money enough through the coming winter to keep up the little left behind family out in Kansas. On the porch of the shabby farmhouse sat the father, paralyzed, helpless. Around him were his four younger children. Two years of suffering had almost wrecked his hopes, his life. Like a hunted animal his eyes turned this way and that across the frontage of his little farm. Every acre that met his gaze was mortgaged.
