Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cooperative Cane-Sirup Canning: Producing Sirup of Uniform Quality Sugar-cane sirup is sold by the farmer either in barrels or in No. 10 cans? Most of the sirup that is marketed in barrels goes to packers, Who can it under sterile conditions and sell it either pure or blended under their special brands or labels. This method of marketing sirup is the customary one in the regions Where the farm ers consider sugar cane one of their principal crops, raising all of it that the conditions of their farms permit. The sirup is barreled as it comes from the evaporator, then hauled to the nearest town, Where it is disposed of immediately to representatives or agents of the packing establishments. No criticism is to be made of this method of marketing sirup. The competition between the different buyers is lively enough to assure, as a rule, a fair price to the pro duer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
