Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

BRAND NEW, Love in the Time of Dragons, Katie MacAlister, Tully Sullivan just woke up in a strange place, surrounded by people she's never met. Which is quite bad enough. But then the strange people insist they are dragons. And, worse, that she is also a dragon, named Ysolde de Bouchier, one of the most notorious figures in dragon history. She doesn't buy it. She can't breath fire or shapeshift. She's not even bothered by gold. But they're adamant. And she's in trouble. Because these dragons also want to sentence her to death. If she's going to survive, Tully realises she is going to have to find a way to solve the crimes she's being accused of. Even though they happened in a past she has absolutely no memory of living.
