By Linda Anne Silvestri

Elsevier - Health Sciences Division, United States, 2011. Other printed item. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Mosby s RNtertainment: An NCLEX Review Game, 2e, is a revolutionary game designed as a review tool for nursing students preparing for the NCLEX examination or for practicing nurses who want to reinforce and sharpen their nursing knowledge. The 2nd edition will be available as an electrical board game. It presents clinical questions and scenarios in all the major nursing categories while providing a fun, humorous and innovative way to study. Perfect for study groups and gift giving, this game will be compatible for pc s, laptops and the new i-Pad. The testing covers the main categories of the NCLEX test plan - safe and effective environment, health promotion and maintenance, psychological integrity, and physiological integrity. There will also be a wildcard category that will provide test taking success tips and pitfalls. The object of the game is to travel from start to finish by correctly answering the category related questions. Traditional game board format gives you the flexibility to create a competitive group atmosphere with fellow students/ colleagues, or to review on your own. Clinical questions and scenarios covering...
