FROM THE FIELD TO THE LEGISLATURE: A HISTORY OF WOMEN IN THE VIRGIN ISLANDS (HARDBACK)

ABC-CLIO, United States, 2001. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****.Women of the Virgin Islands: From the Field to the Legislature recognizes and restores women to their central role in the history of the Virgin Islands by examining their lives from the earliest days of the colony's settlement. Moving into the twentieth century, the book takes a look at women in the economy, society, government, education, and even in the family, and explores how roles have grown and changed even as the islands themselves continue to be transformed. O Neal shows that while patriarchal attitudes were strengthened, women...
