THE FINANCIAL PLAN FOR TIP MAKERS AND EVERYDAY PEOPLE: THE FINANCIAL PLAN FOR TIP MAKERS AND EVERYDAY PEOPLE: THE FINANCIAL PLAN FOR TIP MAKERS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A tipmaker s income is never steady, therefore, hard to control. Some days you make twenty dollars, some days you make a hundred. I will show you how I learned to control the uncontrollable and find money in my own pocket, thus creating an excellent financial plan for both the tipmaker and the hourly worker. Take back your buying power and regain your financial freedom! This financial plan was birthed on the philosophy of not requiring an additional income or investments to increase your buying power, but on the simple philosophy of budgeting. With my experience as a waiter for several years, being a single dad, and credit counseling classes, I will teach you how to control your uncontrollable expenses. I did this with just \$68.91 a day in tips. You will be surprised at how much YOU will save.
