Michael Joseph Penguin UK Apr 2017, 2017. Taschenbuch. Condition: Neu. Neuware - 'I know a secret. A secret that changes everything . . .' Solomon Vine was the best of his generation, a spy on a fast track to the top. But when a prisoner is shot in unexplained circumstances on his watch, only suspension and exile beckon. Three months later, MI6's Head of Station in Istanbul is abducted from his home. There are signs of a violent struggle. With the Service in lockdown, uncertain of who can be trusted, thoughts turn to the missing man's oldest friend: Solomon Vine. Officially suspended, Vine can operate outside the chain of command to uncover the truth. But his investigation soon reveals that the disappearance heralds something much darker. And that there's much more at stake than the life of a single spy . . . My Name is Nobody is a sophisticated, pacey and accomplished debut novel by 26-year-old rising star Matthew Richardson. Appealing to fans of the TV series Homeland and The Night Manager - as well as I Am Pilgrim, Nomad, Charles Cumming and Robert Harris - this is a gripping, multi-layered and assured debut thriller that drips with an insider's knowledge of London's corridors of power. 'Compelling, intense and sharply authentic' - James Swallow, bestselling author of Nomad 'I dare you to find a first novel as self-assured, impeccably researched and beautifully rendered . . . Richardson paints a portrait of espionage that calls to mind early le Carré' - Gregg Hurwitz, No. 1 bestselling author of Orphan X 'Authentic, mysterious, fraught with deception, betrayal, and uncertain allegiances, it captures perfectly the foggy world of spies, populated by conspiracy and turncoats, both friends and enemies, an evocative descent into the Wilderness of Mirrors.' - Jason Matthews, author of Red...
