

## Mabel and the Queen of Dreams (Hardback)

By Henry Herz, Joshua Herz, Harrison Herz

Schiffer Publishing Ltd, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Little Mabel is an expert at not going to sleep. She knows all the best bedtime-avoiding excuses. I m thirsty. I need to use the bathroom. Will you tell me a story? Luckily, Mom s quiver of bedtime tales includes the story of the Fae Queen, who paints children s dreams and can only visit when their eyes are closed. Inspired by Mercutio s soliloquy in Romeo Juliet, in which he details how the tiny fairy queen influences people s dreams as she passes by in her flying chariot, the soothing story evokes images of an ant in a worn gray coat and a hazelnut-shell chariot with a roof of grasshopper wings. Told in lyrical language that adults will also appreciate, the story helps parents get their kids to sleep. For ages 0-6.
