Less than three hours later she lay at the bottom of the Atlantic Ocean. While the world has remained fascinated by the tragedy, the most amazing drama of those fateful hours was not played out aboard the doomed liner. It took place on the decks of two other ships, one 58 miles distant from the sinking Titanic, the other barely 10 miles away. He then looks alike at the U.S. Senate investigation in Washington, and ultimately the British Board of Trade inquiry in London, where the actions of each captain are probed, questioned, and judged, until the truth of what actually happened aboard the Titanic, the Carpathia and the Californian...
