Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What is a Half-Jew? Neither this nor that. Practically synonymous with confusion, Half-Jew is a term for people stuck in no-man s land, not quite fitting in with Gentiles nor universally accepted as Jews. Some say there is no such thing, denying many their legitimate heritage and innate pull toward the same culture, ancestry and religious equivalence as those with Jewish matrilineage. Those born of a Jewish father and non-Jewish mother are often lost, searching for a true identity. D.M. Miller makes a compelling case to prove the doubters wrong. In analyzing religious arguments, medical and genetic studies, history and ancestry, this intimate part-memoir tells the personal story of one woman determined to eradicate the stigma, unravel the misunderstandings and come to terms with what identity is or isn t through her unique perspective as a Half-Jew.
