A trial by combat.A fight to the death.A test of the heart. The third in the Highlands Trilogy, HIGHLAND MAGIC begins where HIGHLAND GRACE ended, giving you Branwenn and Callum s story. Set in the turn of the 13th century Scottish Highlands. After fleeing her wedding to her Norman betrothed and being swept into the Irish Sea during a storm, Branwenn Maclean finds herself once more in the land of the Highland Scots. Little does she know, however, that the maimed man who drops through the ceiling of her hiding place is none other than Callum MacGregor, the man who both vexes and beguiles her. Callum awakens in a darkened sea cave believing he s being nursed by a sea nymph. Little does he know, however, that the fey creature is in actuality none other than his massive warrior Maclean cousins foster sister, Branwenn, the lass that has taunted and haunted him since his first encounter with her one year past.
