CRASHERS

To download **Crashers** PDF, you should click the web link beneath and save the document or have access to other information which might be relevant to CRASHERS book.

St Martin's Press. Paperback. Book Condition: new. BRAND NEW, Crashers, Dana Haynes, Whenever a plane goes down in the U.S., a "Go Team" made up of experts is assembled by the NTSB to investigate. Those people - each of them a leading expert in a specific area - are known as informally as "Crashers." When a passenger plane, a Vermeer One Eleven, slams into the ground outside Portland, Oregon, a team is quickly assembled to investigate the cause. Under the leadership of the IIC (Investigator in Charge), Leonard "Tommy" Tomzak, a pathologist who recently quit the NTSB who also happened to be in the area when the Vermeer One Eleven went down, the team gets to work as fast as possible. Assembled by Susan Tanaka, the inter-governmental liaison from the NTSB on this crash, the team includes: Kathryn "Kiki" Duvall (voice recorder specialist), known as a "sonar witch" who can hear things that others can't and can pinpoint an accent from anywhere in the world; John Roby (Mad Bomber), former cop and bomb expert, who can detect the use of an incendiary device simply by smelling the air; Walter Mulrone (Structures), looks more like a cowboy than an engineer but can rebuild just about any plane from the bolts up; along with Peter Kim (Power Plant) and Isaiah Grey (Operations). Usually the team has months to determine the cause of a crash. But this time it's different. This time, the plane was brought down deliberately, without leaving a trace, and this was only a trial run.
