Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After a painful divorce, Christy Jacobs decided to escape it all by taking a trip to Maui with some girlfriends. The thought of meeting someone special was the furthest thing from her mind. But destiny had other plans. On their first night out, The Guy approached Christy in a bar and invited her to be his date to his best friend's wedding the following day. She reluctantly accepted the date and very soon found herself being swept off her feet by this man-a man whom she'd just met but felt like she'd known forever. He was truly her soulmate. But when the relationship ran off course, Christy quickly learned that soulmates are meant to teach you, not complete you. The relationship continued, off and on, for many years, neither of them able to get over the other. Desperately seeking answers as to why she couldn't shake him, Christy began consulting psychics, healers, astrologers, and her quirky therapist-all leading her on a personal journey of self-improvement, self-love, and eventually, spiritual awakening.
