This book Ground Zero Survival: The Way of Strategy Forged by Nature is book two of Cmdr. Cunningham s Survival Manual on Extreme Close Combat Contact (EC-3) about the way of strategy as was told to me by nature herself, guided by my father s teachings, and applied as I have been tempered through the wildness nature has pronounced upon me. I have lived my whole life from the age of three learning about the way of strategy in order to command natural laws for the moment that battle is joined on death ground, or what I have named Ground Zero Survival. It has been a lifetime pursuit that has lifted me to the highest levels of warriorship in the martial arts. However, because of my employment within the federal government as a soldier in the U.S. Army and law enforcement officer in the U.S. Marshals Service, I was unavailable to teach publicly due to my official duties. Now, retired from federal service, it is time for me to speak out and add my words to the rest of the masters of the martial arts worldwide. As one author so eloquently described, as why Miyamoto Musashi did not write until the end of his life, I too have put off the pen until after my retirement, having used the skill to stay alive now for near fifty years. Someone who practices a martial art in depth and trains every day to the point of exhaustion has a tendency to develop a relationship with words that becomes prosaic or perfunctory at the same time as the intuitive aspect of his participation grows; he will tend to distance himself from long-winded objective reflection....
