Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The Neume for 1941* We may ask, What formula for success can we follow to guide us in our struggle for survival? There is no answer to this question, for success depends upon more than a formula, more than can be enumerated by one person in one paragraph. However, if we examine those who have already proved successful, we will find one characteristic common to all. They have always kept themselves and their work to high standards, higher than they can ever expect to attain. The great teacher expects, and obtains, more from his pupil than anyone else: the great artist is never satisfied with his performances and always seeks to improve them, to be satisfied only with perfection. They always strive for more than others do. And, although they never satisfy themselves, they succeed in achieving more than the less ambitious: they thus become the fittest, and survive.
