

Robert B. Parker's Ironhorse (A Cole and Hitch Novel)

By Knott, Robert

Berkley, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Robert B. Parker's Ironhorse "Hits with the intensity of an eight-gauge shotgun blast. Ironhorse is written by first-time novelist Robert Knott, taking over this series by the prolific Robert B. Parker. Knott was co-writer of the screenplay for the film version of Appaloosa, and it's obvious from Ironhorse that Virgil and Everett's fates are in excellent hands. Local readers will also enjoy the descriptions of 19th-century Oklahoma, as well as the joys and troubles of rail travel during that time, in addition to a rip-snorting tale full of sparse dialogue seasoned with wit as dry as an Oklahoma prairie wind and enough flying bullets and buckshot to fill a caboose." Tulsa World "Robert B. Parker's legion of fans will be thrilled with Ironhorse. Robert Knott, co-writer of the screenplay for Appaloosa Bob's remarkable western has penned the next great saga featuring itinerant lawmen Everett Hitch and Virgil Cole. Knott's new novel reads just like vintage Parker and the storyline crackles with all the excitement and humor of what is a perfect continuation of the Hitch/Cole series. Parker fans are going to love it!" Ed...
