Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.The Grand Master: The Keeper Trilogy: Part 2 This is the second book of The Keeper Trilogy. The Keeper Trilogy starts like this: A long long time ago when the universe was arranged three Guiding Masters were appointed to oversee and act if the overall balance was not maintained. If necessary they can step in to sort problems. As a back up to the system The Keeper was also created. He holds the balance or rather he can restore the balance should it ever be required. The role as The Keeper passes down through the generations and although they are each aware they are something important they do not know what it is. The Keeper is protected by The Watcher who is a humanoid. The planet where The Keeper lives unexpectedly has serious unrest so The Watcher decides to move The Keeper and his parents to another planet (Earth) in the universe. On their journey they go through a time jump (unbeknown to them at the time). The Watcher knows it will only be a matter of time before they are found but it is all he can do. One of the current Guiding Masters notices the unrest and leaves the other two Guiding Masters at their base. Their system is set up so that there must always be two Guiding Masters present at their base at all times. The remaining two suspect that the third Guiding Master is up to something so they seek guidance. They are told that they should leave things as this was the sort of circumstance The Keeper was created for and it will be a good test. Their hands are tied so...
