

Going to Pots Southern Style: The Good, the Bad and the Ugly Truth of Plain Old Telephone Service (Paperback)

Filesize: 6.41 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

GOING TO POTS SOUTHERN STYLE: THE GOOD, THE BAD AND THE UGLY TRUTH OF PLAIN OLD TELEPHONE SERVICE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The most mundane day can easily turn into the story of a lifetime-just add an overexcited customer. This collection of short stories covers the most humorous moments one man experienced while working for a telephone company, from his perspective at the top of the poles. In his fifteen years as a field technician, author Robert Lewis Hayes Jr. went on countless premise visits, some of which were unexpectedly eventful. And as anyone who s worked in a service industry will know, dealing with annoying customers and discouraging employers is part of the job-but that doesn t mean you can t laugh about it later. Once, thanks to a distracted supervisor, Hayes, still fresh to the job himself, was put in charge of training three new techs in pole climbing. Later on, a more experienced Hayes had to figure out how to deal with an extremely animated customer intent on getting his attention-from forty feet below. A lighthearted look at one man s career, these stories show us how to find humor in the everyday and encourage us to bring our own personal style to whatever jobs we do. Sometimes, all we can do is to hang on and laugh.
